Affiant advises that on 12/08/2015 at approximately 2100 hours that the following incidents occurred at 2518 E. Harris Road, Muskogee, Muskogee County, Oklahoma:

The victim was taken to St. Johns Hospital in Tulsa for his injuries. The victim was then air lifted to the OU Medical center in Oklahoma City.

The victim was taken to St. Johns due to the lesions on his face and seizures.

After being at the OU Medical Center it was identified that the victim had multiple broken bones in different stages of healing. It was also identified that the victim had malnutrition. Later x-rays would show that there were more broken bones that due to swelling they were not able to see the first time.

While the victim was in the OU Medical Center he suffered 2 strokes due to his trauma.

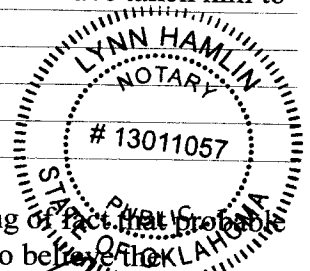

Through forensic interviews it was disclosed that the victim had been tied up, duct tape over his eyes and had been locked in a room. The victim also disclosed that both suspects had hit him on the hand, head and butt with a belt. It was also disclosed that the mother hit the victim on the hand with a hammer.

The victim disclosed that the stepmother kicked him in the groin so hard that it made him bleed.

Through interviewing the mother of the victim it was determined that he has had two seizures and was not taken to the doctor or hospital right away. The mother of the victim admitted that she should have taken him to the doctor or hospital to get the lesions looked at and to be evaluated for the seizures.
